EARNING POINTS in Go365

Take the stairs. Keep your blood pressure in check. Eat more salads. There are lots of things you can do to get healthier. With Go365®, you can earn Points for doing them.

**Activities**
These are things you do every day—like taking a walk or getting your flu shot—to be your healthiest.

**Recommended activities**
These personalized activities are created just for you, based on what you told us about your health in your Health Assessment. Recommended activities are things like losing weight or exercising more that are designed to jump-start your health, and they’re worth more Points!

**Challenges**
Here’s your chance to boost your health even more when you compete against friends and co-workers. Challenge them for most steps taken or pounds lost, or create your own Challenge!

**Earn more when you do more!**
The more Go365 activities you complete, the more Points you earn—and the higher your Status.

Bonuses are not tied to Points and increase a Go365 member’s buying power in the Go365 Mall. Bonus Bucks are awarded when a Go365 member reaches Silver, Gold and Platinum Status, and are doubled when the prior year highest Status is achieved. For example, a year one Go365 member reaches Gold Status at the end of their program year. The Go365 member will earn 1,000 Bonus Bucks for reaching Silver Status, 1,500 Bonus Bucks for reaching Gold Status in the Go365 member’s next program year, the highest Status reached is Gold Status. In this example, 500 Bonus Bucks are awarded at Silver Status and 1,000 Bonus Bucks and 3,000 Bonus Bucks are awarded when the member reaches Gold Status again. Bonus Bucks apply to the 30,000 Bucks maximum each adult member can earn in a program year.
